Worms Sap Children's Health

Mothers often wonder why their children are not rugged and hardy. In a vast number of cases the trouble is—Worms.
Signs of worms are: Derranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching Trade Mark eyelids, itching of the nose, itching of the rectum, short dry cough, aridness of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.
Dr. True's Elixir, the 60 years' time-tested Family Laxative and Worm Expeller, will expel the worms and restore the vim and vigor to your child. Good for adults also. Mr. Horace Cheney of Belmont, Maine, reports that he buys 12 bottles at a time. 35c, 50c and \$1.00 at all dealers. Advice free. Special treatment for tapeworms. Send for book.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Rev. T. H. Cressey has resigned as pastor of the Methodist church at East Franklin.

Marvin Tuttle, 19, of Newfane, has been placed under \$1,000 bonds on the charge of rape.

Rev. Arthur V. Woodworth of Harwinton, Conn., begins his pastorate at the First Congregational church at West Brattleboro, May 14.

Because he stole \$24 from Mrs. W. J. Anderson of Brattleboro, Henry L. Wood will have to spend four to six months in jail and pay a fine of \$100.

Ann Story chapter, D. A. R., of Rutland, will work for the next month on surgical dressing to be sent to England for use by the armies of the allies.

Mr. and Mrs. W. G. Hanscom observed their golden wedding anniversary March 14 at their home in Sheffield and received over \$60 in gold from their children.

A few days before his death, Dr. Charles S. Clark gave the First Congregational church of West Brattleboro, a \$1,000 bond for the support of the church.

Bennington's curfew law, which went into effect March 23, requires children under 15 years to return to their homes at 9:30 p. m., unless they have reasonable excuse for being out.

The Franklin county court docket is the smallest in several terms, largely because of the settlement of cases. But one case, that of E. Baird vs. Town of Enosburg, remained for the March term.

The residence of Mrs. M. E. Wedge at Grand Isle was damaged by fire Monday evening when a lamp exploded in a sleeping room on the second floor. A bucket brigade, called by telephone, put out the fire.

Franklin Carpenter, son of Mr. and Mrs. Walter Carpenter of St. Johnsbury, fell off the way to school a few days ago and broke both bones in his left arm. This is the third time he has broken the same arm.

Mrs. Ann Hunter was found dead on the kitchen floor of her home in St. Johnsbury March 15, death being due to apoplexy. She was born Sept. 10, 1841, in the house where she died and where she had always lived.

Last Sunday five St. Johnsbury men took what was the record ski trip for that section, going from St. Johnsbury to Wheelock, and covering a distance of 16 miles in a straight line and at least 25 miles up hill and down dale.

By dint of much hard work, Company I, V. N. G., of Brattleboro was recruited to the full minimum strength of 65 men when the annual inspection occurred March 22. Captain E. W. Gibson is much encouraged by the showing.

At the annual meeting of the Green Mountain circuit held at Rutland Wednesday afternoon, the following dates were announced for fairs, where there will be horse trots: Fair Haven, August 22 to 25; Middlebury, August 29 to September 1; Rutland, September 4 to 8; White River Junction, September 12 to 15; and Brattleboro, September 19 to 21.

Told by his friends that he could get a better job in Burlington than in Montpelier where he was employed as a chauffeur by Dr. Whitney, Chauncey Van Keuren went to Burlington and became stranded so that the police had to give him lodging over Wednesday night. Clerk J. P. Ladd of the Burlington city court gave the young man his fare back to Montpelier, and the young man was so grateful that he proffered his watch as

DON'T GO TO BED WITH COLD FEET

Says: "Often Brings on Attacks of Acute Rheumatism"

An ounce of prevention is worth a pound of cure, and people who are subject to attacks of rheumatism should never go to bed with cold feet.

A whole lot is being said about taking salts and effervescent tablets for rheumatism and sciatica, but those who suffer sharp twinges and painful, swollen joints need something powerful to overcome their piteous suffering.

Any broad-minded druggist will tell you that one-half teaspoonful of Rheuma taken once a day is driving more rheumatism out of afflicted people than all the salts on earth. Right in this neighborhood, The Red Cross Pharmacy and all druggists sell large quantities of it, and it's the surest and most inexpensive remedy—about 50 cents a bottle.—Adv.
